**INSPECTOR GENERAL:** The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General (IG). The OCI is an independent entity and reports directly to Robert Cobb, the NASA IG, in Washington D.C. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although emphasis is placed on major procurement fraud, (particularly allegations of defective/substandard parts, mischarging, kickbacks, bid rigging, and research fraud), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning fraud and related matters. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at [www.hq.nasa.gov/office/oig/hq](http://www.hq.nasa.gov/office/oig/hq). (OIG)

**2006 KSC Telephone Book Recycling Program:** The new Talking Phone Books and the BellSouth Telephone Books should be distributed throughout KSC soon. All KSC employees are encouraged to recycle their old phone books. From April 25th through May 26th you will have the opportunity to participate in the center-wide telephone book recycling program by placing your telephone books in the outgoing mailboxes within your office; they will be picked up by the mail carriers. Two red and green bulk collection dumpsters designated for recycling your telephone books have been delivered to KSC by our recycling contractor. One dumpster is located at the southeast end of the Headquarters Building and the other dumpster is located at the southwest end of the OSB Building. If you have more books than your outgoing mailbox can hold, please place them in a neat stack on the floor, table or desk next to the mailbox. Please do not put the telephone books in the trash, Recycle them!

Can the KSC Telephone Directory be recycled?

Sure, start by removing all colored pages and the front and back covers of the book. Place all white pages in the sensitive materials recycling container located throughout your facilities and place the colored pages in your mixed office paper recycling containers. Recycling telephone books into new ones help save precious resources. Help us keep this valuable material out of our landfill! The participation of all employees at KSC is greatly appreciated. For Brevard County residents wishing to recycle their telephone books at home, please use your existing curbside recycling program or take your old phone books to the nearest drop-off location throughout the county. Should you have any other questions about recycling your old BellSouth phone books or your KSC Telephone Directory, please contact Alice Smith at 867-8454. (TA-C3)
